Bob
Thanks for all of
your support thru
the years !!!

Dear Bob,

Please accept our heartfelt gratitude for your generous contribution of \$2,000.00 in memory of Merl Saunders, dated 1/30/2009, in support of our Rock Medicine program. We know this has been a challenging year for many, so we are especially appreciative that you extended your help to our clients whose lives have been affected by hardships.

With your support, we are able to care for thousands of San Francisco's concertgoers and event participants. With a presence at over 500 events annually in and around San Francisco, we make services available to thousands of people every year. From simple hydration and sunscreen to onsite psychological counseling, Rock Medicine's all-volunteer staff makes sure everyone at a show has someone to lean on. This gift will be used to support equipment and operations for this vital program.

Your contribution to The Clinics affirms that you share our belief that **"Health Care is a Right, Not a Privilege"**, and your generosity ensures that no one is ever turned away due to lack of funds. In the past, much of our funding has come from the city, county, state, and federal governments; however, these funds are now threatened due to severe budget cuts. While we continue to advocate for this funding, your partnership helps us maintain our commitment to care for everyone in our community.

With sincerest thanks, and very best wishes for 2009.

Chief Executive Officer
